1978-79 CLASS SCHEDULE. Copies of provisional class schedules for all three quarters in 1978-79 are expected to be available by Tuesday, June 6. While not all details will be included and the schedule must be considered subject to change, a reasonably accurate report of course planning for next year will be presented. Updated copies of the quarterly class schedule will be supplied prior to the registration periods for each quarter during 1978-79. Pick up copies of the provisional schedules in the Office of the Registrar or at the Office of the Assistant Dean for Academic Programs (Slessor Hall, first floor). The '79 Winter Quarter will feature, in addition, several short-term (ten-day) courses scheduled much as those offered in the summer quarter. Such courses will be announced prior to Fall Quarter registration.

NEWLY ADDED SUMMER COURSE -- The course NT532 Life of Jesus has been added to the final short-term session of the Summer Quarter. Meeting the NT Theology "a" (NTTa) M.Div. core requirement, the course will be taught by Dr. Jong Yun Lee, pastor of the First Korean Presbyterian Church of Philadelphia and recipient of a Ph.D. in New Testament from St. Andrews University in Scotland. As a special feature, the course will provide an encounter with related Asian theological literature in English. The course should prove specially attractive to students with Asian interests and to others needing to satisfy the NTTa core requirement.

We still need a few good people to help with the graduation ceremonies. If you enjoy children or like to organize people or be an usher, please contact Steve McLaughlin, Box 578 or 792-5217 (evenings). The pay is \$3.00/hr. and the hours are from 12:30 to 6:00 p.m. on Saturday, June 10.

FROM THE SPIRITUAL LIFE COMMITTEE

We are delighted to have another member of the Spiritual Life Committee share her thoughts with us. As students we do not have the opportunity to know the dedicated Christians that make up the Board of Trustees. Joyce Penido loves us. Her faithful participation on the Spiritual Life Committee communicates her commitment to see God's will be done in our community.

"I have participated in few things in my life that I consider to be more important than being a part of the Spiritual Life Committee of this seminary.

From the beginning of my involvement as a member of the Board of Trustees, I have been impressed with the fine academic preparation received by those attending Fuller. At the same time, I have become increasingly aware that the price frequently paid for such academic excellence is the diminishing of the spiritual life of the students, who are pressured not only by their studies but also by the needs of their families.

Perhaps the Spiritual Life Committee, if directed by the Holy Spirit, can be one of God's instruments to help bring these tensions into better balance. Certainly, something needs to be done. Fuller graduates, no matter how well educated, who are out of touch with their Lord, or the people around them, are not adequately prepared to minister.

Please pray for us and with us.

Joyce Penido

STUDENTS, STAFF, FACULTY, SPOUSES, AND FRIENDS!!

This opportunity is for you!

Fuller Theological Seminary, in conjunction with Evangelical Women's Caucus, southwest chapter, is co-sponsoring a conference June 14-16, "Women and the Ministries of Christ." This is an outstanding opportunity to meet for two days with the national evangelical leaders in this area. For women, there is a tremendous potential for meeting together, discussing and sharing concerns and discovering ministry involvement areas. For men, the same opportunity for exploring issues, meeting and networking with evangelicals from across the country. For all, an inexpensive "crash course" in deepening understanding of the topics facing the women you will be working with in your churches and in the world.

A conference which brings together leading evangelicals from around the nation, and gives you the chance to study with them on an intense basis, happens very rarely. This one is happening on your own doorstep. DON'T MISS IT! Brochures are available in the mailroom, or from Libbie Patterson or Jollene Anderson. Scholarship help is available on a first-come, first-serve basis. No one should miss the conference because of money problems. Contact Libbie Patterson if you need assistance for registration fees. It is very important to register as soon as possible, because entrance to the conference is by name tag ONLY, and in order to have a name tag, you must have registered. This also insures that you have the study group of your choice.

FREE SUBSCRIPTIONS ARE STILL AVAILABLE through June 9 for graduates - Christianity Today and Eternity Magazine (1 year subscriptions or 1 year extensions). Pick up forms from Joy Taylor

FREE COPY of book God's City in the Jungle by Sanna Barlow Rossi is being given to graduates by Wycliffe Bible Translators. Pick up your copy in the Bookstore.

FIELD EDUCATION PROGRAM 1978-79

Please read carefully and note the following changes in our Field Education Program for the next academic year, 1978-79:

Two courses in Field Education are required for graduation. Of these two courses, ONLY ONE (FE 501) will count as a core course in Ministry. The other may be taken EITHER as elective credit or for no credit.

FE 501 is a part-time (minimum of 10 hours/week) in a church for a period of three quarters. Prior to enrolling in 501, the student will be expected to attend a preliminary seminar. This seminar will be offered each quarter and can be taken any time prior to the beginning of an approved internship. The other two seminars necessary for completion of the course are selected from each of two general areas of seminars which will focus on practical areas of ministry.

The second requirement can be met in a variety of options such as Faith Renewal Team, Pastoral Care and Counseling and FE 502 (503, 504) etc. To obtain credit for FE 502, attendance will be required at one seminar. If you complete this course during the senior year, this seminar may be either participation in Faculty Seminars or one quarter seminar of the more usual format.

We invite and encourage all seniors to participate in Faculty Seminars. We instituted these seminars this year and are continuing them as an optional seminary experience for seniors next fall. If you were a participant in a middler group this year and choose to continue with your same faculty leader (if available) next fall, please come to the Education for Ministry office before the end of the Spring quarter to sign up. We will give you priority in this matter.

Please also note: one of the seminars offered in the fall will be the privilege of accompanying Dr. Donald Butyne and lay people from Hollywood on an OUR TOWN tour of Los Angeles. He will guide you on a sociological tour of different areas of Los Angeles for seven evenings. Space is limited. Those who are interested are encouraged to sign up this Spring in the Education for Ministry Office.

EDUCATION FOR MINISTRY

The following representatives will be on campus on the dates specified to interview applicants for internships. Please sign up for appointments in the Education for Ministry Office. If no one signs up, the representatives may cancel.

THIS WEEK:

The Rev. Jan Armstrong of San Mateo Presbyterian Church will interview on Wednesday, June 7 for a three quarter, full-time internship which will begin in September.

IMPORTANT: All field education evaluation forms are due in the Education for Ministry office by June 16. Please don't leave for the summer without turning them in. We can not give credit for the course without them.

DO YOU NEED CARTONS FOR MOVING OR STORAGE? Contact Dr. Schaper.
